**SALARIED GP OR PARTNERSHIP
BASLOW ROAD, SHOREHAM STREET AND YORK ROAD SURGERIES**

Busy? Of course we are, but not overwhelmed!

The promised funds into GMS practices are finally appearing, and it gives us an opportunity to manage patient care in a different way.

We are offering the chance to join our forward-looking partnership initially as a salaried GP for a period of mutual assessment. There is also the offer to buy into premises and share in the notional rent income at an early stage if desired.

We want someone who is willing to show long term commitment and working within a team. The successful candidate will be able to show experience of working at different sized Practices and have experience of telephone triage. An interest in trialing new ways of working is essential; GP trainer status would be useful, DFSRH desirable.

We are a 3 site practice with 12,500 patients, use EMIS web and are high QOF achievers. The 4 partners lead a good support team of 3 salaried GPs, 3 nurse practitioners, 6 practice nurses and 3 health care assistants. We are developing structured delivery and moving away from the "GP sees everything" model. We hope to have new PAs and in- house pharmacist in post before 2018.

For informal discussion please contact either Derek Roe, Practice Manager or Dr Chris Hutchins at Baslow Road Surgery, 148 Baslow Road, Totley S17 4DR Tel. (0114 2369957).
