**SALARIED GP WITH A VIEW TO PARTNERSHIP
OAKHILL MEDICAL PRACTICE**

Dronfield, S18 2EJ

Required to work 4-6 sessions per week (negotiable)

This is a unique opportunity for you to take on a Salaried GP role within a successful practice. Due to Retirement, an opportunity has arisen for a Salaried GP to join our friendly and supportive team.

Oakhill Medical Practice is a purpose built owner occupied practice located in a quiet residential area within easy commute of Sheffield and Chesterfield. It is a relatively calm practice with a dedicated team of long serving loyal staff.

The Practice does Extended Hours one evening and one early morning a week, A and E Attendances and referrals are low and on the whole appropriate. Patient demand is manageable; the practice does Signpost patients but the GPs do very little telephone triage.

We are currently a 4 Partner practice working with a strong professional team, delivering General Medical Services to a registered list of 4600 patients, our demographic leans towards older, retired patients though with developments planned in Dronfield this could change.

We are seeking a friendly, enthusiastic and committed doctor to complement our existing team who can work 4-6 sessions to commence as soon as possible.

- SystemOne;
- Often commended on caring and efficient GPs and staff;
- Willing to support a GP in any preferred areas of Development;
- Excellent patient reviews;
- Innovative and Proactive;
- We believe in Continuity of care and the Family Doctor ethos.

Key Benefits:

- Remuneration Negotiable;
- NHS Pension;
- 6 Weeks Annual Leave.

Please contact Helen Foster, Practice Manager on 01246 296907 for an informal chat and/or visit. Applications to include CV and covering letter by email to helen.foster12@nhs.net.

Deadline 13 April 2018.
