TRAINEE ASSISTANT PRACTICE MANAGER: EAST BANK MEDICAL CENTRE

PRESCRIBING CLINICAL PHARMACIST VACANCY: NETWORK NORTH PCN LTD

GP PARTNER THE HOLLIES MEDICAL CENTRE

An exciting opportunity has arisen for a GP to join the established Partnership at The Hollies Medical Centre. The Hollies Medical Centre is a caring, innovative and forward-thinking Training Practice in the Netheredge area of Sheffield. We are proud of the effective, resilient and supportive environment we have developed. We are looking for a GP partner to join our team as we continue to develop our Partnership and plan for the future.

We provide compassionate care to over 11,100 patients and regularly receive positive feedback and recommendations from our patients for the care we provide.

We are an active part of our local community and are members of the Porter Valley Primary Care Network. We have a strong history as a training practice and currently support six care homes. We hold regular clinical, educational and practice meetings, with opportunities to work closely with our wider multidisciplinary and multi-agency teams.

About the Practice

Our established clinical team currently includes:

- 6 GP Partners
- 2 Salaried GPs
- 4 Practice Nurses
- 2 HCAs
- Pharmacist team
- PCN and network support roles, including Mental Health Practitioners, Social Prescribers and First Contact Physiotherapists

We offer:

- TPP SystemOne clinical system
- Accurx total triage
- Established Training Practice status
- Strong QOF performance
- Active and engaged Patient Participation Group
- Regular clinical, educational and practice development meetings
- A supportive and collaborative Partnership environment

The Opportunity

We are looking for a GP who is keen to become part of an established Partnership and contribute to the ongoing development of the practice.

We would ideally be looking for someone with interest and experience in women's health. This is an area we are keen to further develop within the practice, and there would be an opportunity for the successful candidate to play an important role in developing and strengthening our women's health provision.

We are looking for 5–6 sessions per week, although this is negotiable for the right candidate. We would ideally welcome availability across Wednesday, Thursday and Friday, but we are happy to discuss different working patterns depending on the needs of the successful applicant and the practice.

While this is primarily a Partnership opportunity, we are also keen to hear from GPs who may be interested in joining The Hollies in a salaried capacity. Depending on the needs of the practice and the experience and availability of the successful candidate, there may be an opportunity to discuss a salaried position.

We are looking for someone who shares our commitment to high-quality patient care, enjoys working collaboratively and would welcome the opportunity to contribute to the continued development of an established GP Partnership.

Informal visits to the practice are warmly encouraged.

Please contact Andrew Smith, Practice Manager, with a CV and covering letter:

SITE LIAISON CHAMPION GP AND SAFEGUARDING LEAD PCS HIGHGATE SURGERY

5 sessions per week plus allocated time for lead roles All day Wednesday and Friday, plus Thursday Morning

Looking for your next work family?

At Primary Care Sheffield (PCS), we're looking for an enthusiastic, compassionate and motivated GP who wants to make a genuine difference to the lives of our patients and communities.

If you're passionate about delivering high-quality, patient-centred care and share our values, we'd love to hear from you.

Our Values

- Innovative – we embrace new ideas
- Empowering – we support our patients and colleagues to achieve their full potential.
- Ambitious – we strive for excellence in everything we do.
- Person-centred – we put people at the heart of our decision-making.
- Open – we work collaboratively and with integrity.

About the opportunity

An exciting opportunity for a Salaried GP to join our dedicated team providing high-quality, compassionate primary care to our patients.

We are seeking an experienced and confident clinical leader to provide strategic and operational leadership for the practice. This is a unique opportunity to shape and influence patient care, support the wider multidisciplinary team and drive service development. The successful candidate will be comfortable making autonomous clinical decisions and leading the delivery of high-quality care.

The practice delivers the full range of NHS primary care services, including chronic disease management, planned GP and nursing appointments. Appointments are typically 15 minutes in length.

- Our benefits include:
- Competitive salary £10,236 to £10,881 annual sessional rate.
- NHS Pension Scheme.
- Salary sacrifice schemes including Cycle to Work, Electric Vehicle and Childcare.
- Leadership, quality improvement and service development opportunities alongside opportunities to develop special interests.
- Supportive training environment with mentorship, supervision and opportunities to contribute to education.
- Access to city-wide educational events and continuing professional development.
- Dedicated Human Resources, Finance and Operational Support Teams.
- Top-up indemnity cover provided by MDU.

You'll develop expertise in Adult/Child Safeguarding and develop your professional network in this area.

Excellent communication skills, empathy and enthusiasm for working with diverse communities are essential. There is also the opportunity to undertake sessions at other PCS Practices or services, offering additional flexibility and variety.

We are particularly keen to attract a GP with a passion for working collaboratively with patients and communities to improve health inequalities and reduce barriers to accessing healthcare.

We strongly encourage informal conversation or a visit to the practice to learn more.

For further information please contact Highgate Support Manager Zoe Hague zoe.hague@nhs.net or Head of Service Kiz Haigh kiz.haigh@nhs.net.

To apply, please submit your CV and a covering letter outlining how your experience and skills meet the requirements of the role to Kiz Haigh, Head of Primary Care, kiz.haigh@nhs.net.

Closing date for applications is 11:59pm 25th October 2026, interviews are scheduled for Thursday 5th November 2026.

Please note: We reserve the right to close this vacancy early if a sufficient number of suitable applications are received.

- Assist with staff supervision, training, and development.
- Participate in staff rota management and workforce planning.
- Assist with recruitment, induction, and onboarding of new staff.
- Support patient service improvements and appointment management.
- Help maintain compliance with CQC, NHS, Information Governance, and Health & Safety requirements.
- Assist with policy development and implementation.
- Produce reports and analyse practice performance data.
- Support quality improvement projects and operational initiatives.
- Handle patient queries and complaints professionally and effectively.

About You

- Experience in an administrative, supervisory, or management role.
- Excellent communication and organisational skills.
- Strong IT skills, including Microsoft Office.
- Ability to prioritise workloads and work independently.
- Positive and proactive approach to problem solving.
- Commitment to delivering excellent patient service.
- Desirable
- Experience working in a GP practice, NHS, healthcare, or customer service environment.
- Knowledge of EMIS, SystemOne, or other healthcare systems.
- Experience managing staff or leading teams.
- Understanding of NHS services and primary care.

What We Offer

- Structured development pathway towards an Assistant Practice Manager role.
- Support and mentoring from experienced practice leaders.
- Competitive salary.
- NHS Pension Scheme (where applicable).
- Generous annual leave entitlement.
- Training and career development opportunities.
- Friendly and supportive team environment.

How to Apply

Please submit your CV and a covering letter explaining why you are interested in this development opportunity and how your experience meets the requirements of the role.
