Sheffield
LMC

INSIDE THIS ISSUE:

SALARIED GP – MOSBOROUGH HEALTH CENTRE

COMUNITY GP – NORTH EAST DERBYSHIRE PRIMARY CARE NETWORK LTD

ACP RECTOSCOPY – PRIMARY CARE SHEFFIELD

SALARIED GP

MOSBOROUGH HEALTH CENTRE

8 Sessions (Tuesday & Friday Full Days)

We are seeking two motivated and flexible GPs to join our friendly, forward-looking 5-partner practice. We have 8 clinical sessions available, from November 25 on fixed term contracts including a full day on Tuesday and a full day on Friday, with flexibility in how the remaining sessions are arranged.

About Us

- Patient-centred care: Serving a list size of 7,072 patients, we are committed to delivering high-quality, compassionate care.
- Innovative approach: Our total triage system has streamlined appointment management, with excellent patient feedback.
- 15-minute appointments: A mix of face-to-face and telephone consultations, enabling quality patient contact.
- Low home visit demand: Due to close collaboration with our PCN paramedic.
- Highly rated by patients: Consistently ranked among the top practices in Sheffield for patient satisfaction.
- Training practice: Supporting GP registrars, nurses, and medical students.
- Forward-thinking initiatives: We embrace technology, work closely with a new PCN frailty service, and even run a patient and staff allotment.
- Research leaders: As lead practice for the Sheffield South-East Research Group (SSERG), we partner closely with NIHR and RRDN.

What We Offer

- A friendly and supportive team – daily coffee and lunch breaks together.
- Opportunities for professional development and training.
- Competitive salary package.

If you're looking for a role in a supportive, innovative environment where quality patient care comes first, we'd love to hear from you.

How to Apply:

If you are interested in finding out more or would like to arrange an informal visit, virtual meeting or book a locum session to get a feel for the practice and team, please contact Allison Smith Business Manager allison.smith3@nhs.net

ACP RECTOSCOPY PRIMARY CARE SHEFFIELD

Type of Role: Up to 16 hours, fixed term for 18 months initially

Closing date: 30th September

This is an exciting opportunity to take a role as a key professional shaping a patient focused service, leading changes that will revolutionise how primary care services are delivered.

You will be given autonomy and encouraged to use your clinical experience to work with patients, as well as work with the Clinical Lead on how the service provides and demonstrates a high-quality service.

This is an excellent opportunity for an experienced ACP who either has experience in the gastroenterology or would be excited to be trained. All candidates will receive full training in using digital rectoscopy equipment led by national experts in the field.

The postholder will lead digital rectoscopy clinics undertaking examinations in primary care on those with uncomplicated rectal bleeding aged under 50 years old. The technology allows for video capture so that the ACP can be supported by GPSI and Gastro consultants as required.

We are looking for someone who is a registered health professional with a prescribing qualification, passionate about enabling change which will positively impact primary care service users. You will need to have the confidence and capability to be a leader in a field which is emerging nationally.

Primary Care Sheffield (PCS) is a GP-led organisation. Our shareholders are 69 GP practices in Sheffield covering around 600,000 patients. We have a social purpose; improving the quality of care comes before profit. We exist to create services which make the health and care system work better for everyone. To do that we are focussed on bringing more services closer to the places people live, improving the quality of those services, and breaking down the barriers between different types of services.

To apply for this role, you should go to NHS Jobs at the following link: [Job Advert](#)

For further information on the role, duties and responsibilities, please contact tom.o'brien1@nhs.net
